

WARNING!

Pittsburg Seafood Festival Vendors 2010

The Pittsburg Chamber of Commerce is committed to assisting our vendors in complying with the Contra Costa County Health Department and Fire Department guidelines. Please follow all Contra Costa Fire Protection District Guidelines. THE FIRE DEPARTMENT WILL STRICTLY ENFORCE GUIDELINES THIS YEAR. Here are some items that need attention from last year's event:

- ✓ All vendors must be ready for fire inspection by 8:00 a.m., Saturday and Sunday.
- ✓ Any cooking appliance will be no closer than 18 inches to any combustible structure or sidewalls to the booths/tents.
- ✓ Deep Fat Fryers and Woks shall have 3 feet clearance on all sides except the 18 inches between the fryer/ wok and booth.
- ✓ All Booths are required to have the standard **TYPE 2-A:10 B: C FIRE EXTINGUISHER**. The tags must not be expired. Each food booth utilizing a **DEEP FAT FRYER OR WOK** will be required to have it's own **TYPE K** fire extinguisher, in addition to the standard **TYPE 2-A:10 B: C FIRE EXTINGUISHER** with up to date State Fire Marshal Certification Tag – check the date. The tag must not be expired.
- ✓ Your food booth, containing deep fat fryers and/ or woks, must have two (2) exits. Exits must be clear of all storage and kept clear of all obstacles.
- ✓ Store your propane tank outside your booth, no closer than 3 feet to any booth/ tent sidewalls. All propane tanks shall be stored in a crate or container to be secure. Tanks must be secured and stable from falling over.
- ✓ All propane tank regulators, hoses, piping, valves and fittings shall be “UL listed” approved. No garden hoses or homemade connections will be allowed by the Contra Costa Fire Department.
- ✓ Store additional propane tanks away from your cooking area.

FAILURE TO PASS THE FIRE INSPECTION WILL ELIMINATE YOU FROM PARTICIPATING IN THE EVENT.

All other requirement as outlined, per the policy for food booths, shall be enforced. Please call the Pittsburg Chamber of Commerce for more information, questions or if you need help.
